Dear

As of October 2018 Tandem Trading has merged with Jenali Trading to provide an increase in services as well as to expand the product lists of both companies. Our two entities have worked together for over 15 years and have shared business over this time.

I will be remaining in the merged entity for some years yet and so communication channels will remain the same for quite a period.

I look forward to continuing our long association and hope to be able to increase the products we can offer or be able to better develop new opportunities in the future.

As of now all invoicing will come from Jenali Trading. Logistics will eventually also be organised by Jenali Trading once they fully understand where we move product to.

Jenali Trading's details are the following:

Jenali Trading Pty Ltd

ABN: 86 100 0952 476

*Address: Unit 41, 197 Bay Street
Brighton, Vic, 3186*

Bank details:

Account Name: Jenali Trading Pty Ltd

Bank: National Australia Bank

BSB: 083-231

Account Number: 54496 7068

With my best regards

Steve Klug
